Everyday Problems Keeping Us Up At Night!

- You didn't deserve that speeding ticket, there's no way you were going 50 mph in a school zone!
- You're usually tolerant of neighbors, but the new next-door folks are having too many loud, late-night parties.
- Your kitchen contractor is way behind schedule and way over budget.
- The new car in your driveway is proving to be a lemon.
- A debt collector is hounding you for a bill you already paid.

Here's a sampling of available help:

- **Legal Resources:** Answers to common issues related to consumer law, neighbors and pets, landlord and tenants, taxes, lawsuits, insurance, real estate, and more.
- **Legal Forms:** A useful library of 100+ forms to help with common legal situations. Find everything from sample wills, contracts, and agreements to complaint letters, demand letters, and bills of sale.
- **Personal Assistant:** Facing a sticky issue that you don't know how to resolve? Try our ESI Personal Assistant services for help. Simply fill out a brief form to explain the problem.

For serious legal issues unrelated to employment or medical concerns, members are eligible to receive a free 30-minute legal consultation per legal issue with an attorney. A 25% discount is applied to legal services billed at an hourly rate if the attorney is retained. Give us a call to access this benefit.

Some worrisome problems can keep you tossing and turning at night trying to find a solution. Life is full of annoying everyday problems. They can be hard to fix and tend to get worse over time if left unresolved. Many problems entail knowledge about your consumer or legal rights. That's where your MAP can help. As a member, you and your family can access a wide array of legal and consumer rights resources to help you find the answers by logging in to www.UnionAP.com.

Pet Peeves

Pets are family members, too! Recent surveys show that 70% of all US households include a pet and 9 out of 10 of the pet owners consider their pet as a family member. More than half of American dog and cat owners let their pets sleep in bed with them! Because we love the animals in our care and they depend on us, it's hard to concentrate on other things when pet problems occur.
